

To whom it may concern:

I am a tax payer in Fairfield since 1974 and a resident for 69 years. I have enjoyed the beaches very much. I feel very strongly that since the town is maintaining the beaches, providing life guards, police attention when required, that the tax payers should be discounted for beach access stickers, and allowed prime parking in the lots. Why should we pay for the beaches, and not be prioritized?

We have access for out of town visitors, with them paying the price to also pay towards the upkeep costs. Leave well enough alone, and DO NOT PENALIZE THE TOWN TAXPAYERS!

Sincerely,

Jo Anne Tuccio
